CLASSIFICATION

Crop	Broccoli
Segment	Main - Autumn

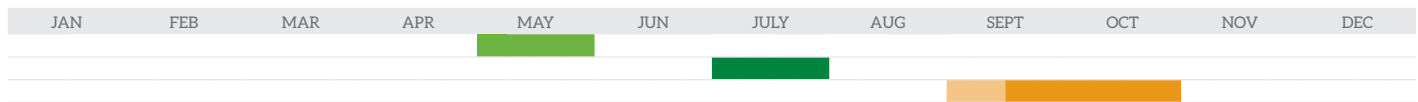

Shard is a new addition to our High Rise broccoli range. It is best suited to autumn production but can be used in cooler climates during the summer*. Shard benefits from being easy to harvest, has improved field holding compared to Ironman and has a firm and dense head. Shard matures at similar timing to Ironman and gives good continuity of supply when grown with SV1002BL and Steel.

Shard – A new vigorous Autumn variety giving excellent headweights
